NOTICE IS HEREBY GIVEN that the Department of Mental Health (DMH) is proposing to take the action described in the Informative Digest.

A public hearing regarding this proposal will be held on February 9, 2010, in the Auditorium at the Department of Water Resources located at 1416 Ninth Street in Sacramento, California. It will start at 9:00 AM, and end when all comments have been received or at 5:00 P.M. whichever comes first.

Following the public hearing the Department of Mental Health may thereafter adopt the proposals substantially as described below or may modify the proposals if the modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written comments related to this proposal, or who provide oral testimony if a public hearing is held, or who have requested notification of any changes to the proposal.

AUTHORITY AND REFERENCE

Pursuant to the authority vested by Sections 4005.1, 4027 and 4101 of the Welfare and Institutions Code, and to implement, interpret or make specific section 4027 of the Welfare and Institutions Code, the Department of Mental Health (DMH) is seeking changes to Division 1 of Title 9 of the California Code of Regulations as follows: Adoption of Chapter 16, Article 3, Section 4350; and Reserving Chapter 16, Articles 1 and 2.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The objective of the proposed action is to implement, interpret, or make specific section 4027 of the Welfare and Institutions Code to ensure the safety and security of individual patients and state hospital facilities.

Section 4350 identifies as a prohibited contraband wired and/or wireless electronic devices that have communication and/or internet capabilities, and provides examples of such prohibited electronic devices.

Emergency regulations containing the identical language of the proposed regulation were filed with the Office of Administrative Law (OAL) on October 15, 2009, and were accepted for filing by the OAL on October 26, 2009. To make the emergency regulation language permanent after the expiration of the 180-day period during which time the

language has the force and effect of law, DMH needs to complete this regular, noticed rulemaking action, and submit to OAL, along with a certification that it has complied with the procedures for a regular, noticed rulemaking action no later than April 26, 2010.

LOCAL MANDATE

This proposal does not impose a mandate on local agencies or school districts.

FISCAL IMPACT ESTIMATES

This proposal does not impose costs on any local agency or school district for which reimbursement would be required pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. This proposal does not impose other nondiscretionary costs or savings on local agencies. This proposal does not result in any costs or savings in federal funding to the state.

COSTS OR SAVINGS TO STATE AGENCIES

No additional costs or savings to state agencies are anticipated.

BUSINESS IMPACT/SMALL BUSINESSES

The Department of Mental Health has made a determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposal does not affect small businesses as defined by Government Code Section 11342.610 because the proposed regulation only restricts the possession and use of contraband electronic devices by individual patients in a secure state hospital facility.

ASSESSMENT REGARDING EFFECT ON JOBS/BUSINESSES

The Department of Mental Health has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

COST IMPACTS ON REPRESENTATIVE PERSON OR BUSINESS

The Department of Mental Health is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

EFFECT ON HOUSING COSTS: None

CONSIDERATION OF ALTERNATIVES: The Department of Mental Health has determined that no reasonable alternative which it has considered or that has otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which this action is proposed or would be as effective and less burdensome to affected private persons than the proposed action described in this Notice.
